- Very good skin compatibility tested on volunteers under medical control.
- Good ocular tolerance according to an *in vitro* eye test.
- Hypoallergenic: tested and proven by 50 volunteers under dermatological control.

Specifications

Appearance: pink opalescent liquid
Smell: pomegranate
pH: 4,5 - 5,0
Viscosity : 3 000 – 4 000 mPa.s

Precautions in use

For external use only. Do not swallow.
In case of contact with eyes, rinse thoroughly. In case of emergency, contact the nearest poison control center.

Directions for use

- Wet the skin.
- Take a dose of soap.
- Rub the skin gently.
- Rinse well with water and dry.

Benefits

- Mild plant-based surfactants, derived from glucose, creating a soft and rich foam, soft for the skin and hair.
- Formula enriched with lipid-replenishing agent, making the skin sleek and soft after rinsing.
- Hair conditioning coating effect even after rinsing.

Environment

- Ecolabel awarded product, complies with European Commission's requirements.
- Formula with minimal impact on aquatic ecosystems, meeting strict requirements regarding biodegradability.
- More than 98% of biodegradable ingredients.
- Careful selection of raw materials considering their toxicological and eco-toxicological profile.
- Optimized packaging reducing waste volume.

Preservation

- Satisfies the requirements of NF T 75-611 standard.
- Can be kept for 30 months in its original, closed packaging under normal storage conditions. Keep from freezing.
