

Safe. Simple. Effective.

KITCHEN

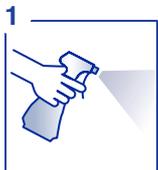

Oven & Grill Cleaner

Powers through burnt on grease

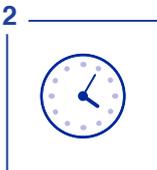

KEY BENEFITS

- Removes baked on blood and food residues from ovens and grills
- Effective on vertical surfaces
- Fast acting
- Unperfumed
- Also works on deep fryers

PROTOCOL OF USE FOR CLEANING

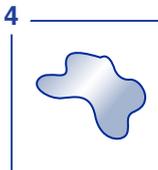

1 Apply an even layer of product to the soiled surface.

2 Leave oven cleaner for a period of time as indicated in the table.

3 Wipe off with a damp cloth.

4 Rinse with clean water.

CONTACT TIMES

	Cold oven	Warm oven
Light grease	3 min	1 min
Heavy grease	30 min	5 min
Baked on grease	12 hours	2 hours

For optimum efficiency warm up oven and switch off before application. Do not apply when appliance is actively heating. The surface should not be warmer than 70 °C upon application. For very stubborn deposits a second application may be required.

every **experience** counts.™
